Educational Ecotours

An opportunity for educators to visit natural and cultural history sites in Iowa, gather information, and create virtual experiences to share with their students.

Funded by the Resource Enhancement and Protection Conservation Education Program (REAP CEP)

Information about the tours:

- Registration for each ecotour is **\$25.00**. For both workshops it will be \$50.00. Capacity for each is 30 educators.
- Participants will receive:
 - Travel via coach tour bus. Both bus tours will originate from Waterloo.
 - Double occupancy lodging in rooms with 2 queen beds
 - Monday evening meal, Tuesday breakfast and snacks
 - Resources and materials to incorporate standards-based lessons
 - Exposure to experts in the field
 - 1 graduate credit per ecotour from the University of Northern Iowa. \$75 cost will be reimbursed through the REAP CEP grant after successful completion of course expectations.
- To register, send registration fee with a check made out to BCNA to 608 2nd St. SE, Tripoli, IA, 50676
